Don't you know I got mad, mad skills  
With a hammerhead and drill  
So I'll get your high house, house built  
But you gotta gimme a, gimme a big stack of bills

So I'm working for as long as you need me  
Right here on this floor nobody can beat me

Never gonna eat, never gonna sleep  
I-I'm working overtime  
Gotta stay up late, gotta get paid  
I-I'm working overtime  
Just gonna hit it harder  
I'll push it faster stronger  
Never gonna eat, never gonna sleep  
I-I'm working overtime

Whoa-overtime, o-o-o-overtime, o-o-o-overtime  
Whoa-overtime, o-o-o-overtime, o-o-o-overtime

I'll punching out past, past five  
Deserving dollars gettin', gettin' dimes  
Got me on the clock all, all night  
Aren't ya gonna gimme a, gimme a big raise?  
Yeah right!

So I'm working for as long as you need me  
Right here on this floor nobody can beat me

Never gonna eat, never gonna sleep  
I-I'm working overtime  
Gotta stay up late, gotta get paid  
I-I'm working overtime  
Just gonna hit it harder  
I'll push it faster stronger  
Never gonna eat, never gonna sleep  
I-I'm working overtime

Whoa-overtime, o-o-o-overtime, o-o-o-overtime  
Whoa-overtime, o-o-o-overtime, o-o-o-overtime

Come on everybody help me raise this roof  
Raise this roof, r-r-raise this roof  
Come on everybody help me raise this roof  
Raise this roof, r-r-raise this roof

So I'm working for as long as you need me  
Right here on this floor nobody can beat me

Never gonna eat, never gonna sleep  
I-I'm working overtime  
Gotta stay up late, gotta get paid  
I-I'm working overtime  
Just gonna hit it harder  
I'll push it faster stronger  
Never gonna eat, never gonna sleep  
I-I'm working overtime

Whoa-overtime, o-o-o-overtime, o-o-o-overtime  
Whoa-overtime, o-o-o-overtime, o-o-o-overtime

Never gonna eat, never gonna sleep  
I-I'm working overtime  
Gotta stay up late, gotta get paid  
I-I'm working overtime  
Just gonna hit it harder  
I'll push it faster stronger  
Never gonna eat, never gonna sleep  
I-I'm working overtime

Whoa-overtime, o-o-o-overtime, o-o-o-overtime  
Whoa-overtime, o-o-o-overtime, o-o-o-overtime
