Who likes to party party
We gonna celebrate
No more homework, no more classes
Summer everyday

I got to move my body
I can't take anymore
When the bell rings
Imma electric slide right out the door

Now stomp, and clap
No pop quizzes anymore
Stomp and clap, come on 2, 3, 4

It's finally summer time
We can do whatever we want
Just let the sunshine get you up
I'm feeling alright
I-I-I'm walkin' on cloud nine
I'm gonna shout (shout)
Out (loud)
School's out, yeah yeah yeah

It's finally summer time
We can do whatever we want
Just let the sunshine get you up
I'm feeling alright
I-I-I'm walkin' on cloud nine
I'm gonna shout (shout)
Out (loud)
School's out

We gonna kick it kick it
Like every single night
Hit the beach, hit the pool
'Cause it's summer time

Come on, throw your hands up
Make them touch the sky
Monday, Tuesday, Wednesday, Thursday
Everyday is Friday night

Now stomp, and clap
No pop quizzes anymore
Stomp and clap, come on 2, 3, 4

It's finally summer time
We can do whatever we want
Just let the sunshine get you up
I'm feeling alright
I-I-I'm walkin' on cloud nine
I'm gonna shout (shout)
Out (loud)
School's out, yeah yeah yeah

It's finally summer time
We can do whatever we want
Just let the sunshine get you up
I'm feeling alright
I-I-I'm walkin' on cloud nine
I'm gonna shout (shout)
Out (loud)
School's out, yeah yeah yeah

School is out

It's finally summer time
We can do whatever we want
Just let the sunshine get you up
I'm feeling alright
I-I-I'm walkin' on cloud nine
I'm gonna shout (shout)
Out (loud)
School's out, yeah yeah yeah

It's finally summer time
We can do whatever we want
Just let the sunshine get you up
I'm feelin' alright
I-I-I'm walking on cloud nine
I'm gonna shout (shout)
Out (loud)
School's out
