"I can't see you anymore
'Cause I see you all the time"
I get so tired of looking for
A picture in my mind

Looking on the outside of every person in view
When I see the inside, seems nothing is new
Shouldn't there be more to this life
Than trying to figure out why I don't feel alive?

All this time I've been inside your head
And I need to know what you're thinking
All this time I've been inside your head
And I'm getting nowhere

There's a reason why I feel this way
'Cause I don't know how long ago things changed
And you think there's something that you've got to escape
Now I'm alone and I kind of like it this way

All this time I've been inside your head
And I need to know what you're thinking
All this time I've been inside your head
And I'm getting nowhere

I don't see you anymore
I'm running out of time
I get so tired of looking for
A picture in my mind
Stangers call me a friend
But they don't hear my cry for help
I know I'll see you again
Just in someone else
