Lie, of why you're leavin' early  
Deny, that you're in any hurry  
Cry and tell me not to worry  
Cause what I don't know, is never gonna hurt me.

Breathe, no baby don't feel guilty  
Deceive me, then just walk away  
Leave me, the truth would only kill me  
And It's gotta be, it's gotta be this way.

One more bad excuse  
Before you turn me lose  
Give me something to remember you by  
Couldn't you offer me  
A little dishonesty  
Promise me you'll try  
You'll lie to me.

Woo..  
Go, your plane's not gonna stay  
Slow, so I can take it in  
And so, you say you'll see me later  
When you know you won't see me again.

Please before you let go of me  
Take me one more time  
Appease me, tell me that you love me  
That you haven't gone and changed your heart.

One more bad excuse  
Before you turn me lose  
Give me something to remember you by  
Couldn't you offer me  
A little dishonesty  
Promise me you'll try  
You'll lie to me, lie to me.

Lie, of why you're leavin' early  
Deny, that you're in any hurry  
Cry and tell me not to worry  
'Cause what I don't know, is never gonna hurt me,

yeah.

One more bad excuse  
Before you turn me lose  
Give me something to remember you by  
Couldn't you offer me  
A little dishonesty  
Promise me you'll try-ay-ay  
You'll lie to me.

Lie to me, lie to me  
Couldn't you, lie to me... uhmm  
Lie to me, yeah.
