Have I ever told you that you're the one I need?
Should I say I'm sorry for feeling incomplete?
I wanna tell the future and that I can indeed
When we're separated I can not feel my feet

No one can tell
No one will notice
No one can tell

Should I even notice the words that frighten me?
Maybe it's the whisper that'll bring me to my knees
Will there be a day when confusion grows tired?
Will there be a day then when the river runs dry? So
dry!

No one can tell
No one will notice
No one can tell me how I feel
'Cause they don't know, they don't know
No one can tell

Move a little closer so I can feel complete
Yet lazy as your footsteps, my heart fills with defeat
I can't imagine, what else can I do?
Your trust is the only question, I gave mine all to you,
for you
