So it's just gonna end like that?
Well, alright, if it's that easy
I'm still trapped inside
Your tired eyes and I know but I never knew
Just being friends was like love
You didn't mean to
We get along just fine
You didn't mean to waste my time

It's not so bad [3x]
Losing everything you've ever had

If you just would have told me
Instead of carrying on so long
About how you missed me
If you just would have held me
Because you acted like you wanted to
But it just felt wrong, right?
It felt wrong

It's not so bad
Losing everything you've ever had

I remember you saying
That nothing could tear us down
Then I got to thinking
That you've got me turned
Upside down
You wanted to still be friends
Well I don't want it, I can't stand it
I didn't mean to waste your time

It's not so bad [3x]
Losing everything you've ever had
