"Sad For You"

I've been down for so long
Can you pick me up?
You need my attention
But you don't give attention
And I know I just might be alright

You've been down your whole life
So you try to exercise some kind of right
That you believe will haunt me
Well all you do is haunt me
And I know I just might be alright

It's so distracting, It's aggravating, yeah
It's complicated, I never hated you

Here I stand alone now
Well it kinda feels the same
Is there a piece of you that wonders
Or did you forget my name?
Well all I do is wonder
All I've done is wonder
And that's sad for you
