Chorus

(Junz)

I know it's been awhile had to step back from the
game,
Analyze the current scene and adapt to the change,
Many chose to sleep, I continued to train,
Done with all the pain it's time to get paid,
Coz we came to move, we came to groove,
Ya look a little stressed now we came to soothe,
You came to prove what cha do how ya do,
Get it straight son your games to small for my shoes
like,
You know we keep it fresh to def,
Def as hell, hell yeah, yeah bring that back, Skip jump
giggle wiggle turn it up a lil, Way mummy drop it, it
som'n like a basketball dribble, Take it to the floor
like you know you should, Take my hand, you know it all
good, NESIAN STYLE got your gurl calling my name,
With
beats so PHAT, somebody call JENNY CRAIG
