Chorus:

Meet you at the dancefloor  
Baby let's pretend  
You are my girl and I am your man.  
X2

I know it's not for real  
But we can groove like  
We were lovers  
Underneath the moonlight  
Just til the end of the song(end of the song)  
Where we can go  
That's what we were doing before.

When you here this jam  
It's time for me and you  
We in the middle of the floor  
For the rendezvous  
Nobody else matters in the spot but us  
And anybody got a problem  
Move to da back of da bus  
Aint no fussin  
No hidden agendas  
No frontin  
When it comes to us you know it's pure loving  
If it just so happens  
To lead to somein somein  
Time to leave and tell your friends nuttin.

Chorus x2

Spakin hypofetically  
Your out feelin the scene  
You got your head down on the floor  
Dancing with me  
Just a little bit of time that's all it takes  
To step to the edge and take the leap of faith  
So whenever your ready it's ok  
But 3 minutes and 30 seconds come sway my way  
Get them to step down to the land of opportunity  
Nothing to worry about  
Just you and me

Fast foward three years and we still on the floor  
But this time it's for real(your my girl)  
Matter fact lets be prescise your my wife  
Mr dj still holdin down tonight  
But thos is the special edition the encore track  
Dedicated to the dancefloor pack  
Eyes meet together in the centre of the room  
But all I c is you

Let me break it on down  
Smoothe it out like a slow jam  
Take my hand  
Coz right now I'm your man

Chorus x4
