

Nesian Mystik "For The People"

Visit "[For The People](#)" on MotoLyrics.com

Listen in right cos my jam be the joint
Press play on the track till it hits ya boiling point
When the crowd no longer sit aside and just simmer
Cos we up in the spot as the lights grow dimmer
Street anthem sound from your local DJ mix master
Play that shizzle on your speakers don't delay
Equipped to make you bounce with the beat
mechanism
We up in the Fale with the vinyl cipher system

[Chorus:]

Friday night is the scene
Party people everywhere
Check your frequencies
Let me see you getting down onto the dance floor
Nesian's are you with me
Are you with me
Friday night is the scene
Party people everywhere
Check your frequencies
Let the music take control of your mind body and soul
Get up and get ready
All night all night

[Verse:]

Everybody want to be trying to be showing individual
mooli technique
Every second of the party
M.U.L.L.E.T prolifically lacking in the constant
movement your consuming
Initialise them verbal styles to mystify your mind
Demonstrate essential element fundamental rhythms
we provide

Essential apparatus
Necessary for these fella's
Broken English is apparent
Upon sense begins to shatter

It be the tropical siva movement for your action

Ain't no excuses like Cube said "put your back in"

Laxed out atmosphere be getting phatter by the minute
the beat filling up the room
Nobody getting timid

Brothaz gotta keep there lines tight tonight
Cos the sistaz are looking fly as the place starts to
ignite

[Chorus:]

Friday night is the scene
Party people everywhere
Check your frequencies
Let me see you getting down onto the dance floor

Nesian's are you with me
Are you with me

Friday night is the scene
Party people everywhere
Check your frequencies
Let the music take control of your mind body and soul
Get up and get ready
All night all night

[Verse:]

Vinyl distracts focus mental concentration
Instant stutter becomes a hazard to regulation
Not to mention adapt to situation
Materialize upon destination
Stand up get up no more dancing with your eyes
Status uncompromised villager identify

Tonight is the night to let your body unwind
So let loose and eventually let ya mind initialise

Progression of navigation is encapsulated
in that you waited so long

All of ya fantasies become reality when they collide
Cos you can't get by the fact that tonight is Friday
night

Let the music catch you off guard/ be venerable to the
beat lady

My style stay cryptic from crossed words out of
adverbs

Disturbed from your reverb in case you never heard
When we rock mics we tend to rock right
Cos when we rock mics we rock the mic "right"
Ignite ya light and throw ya hands high
Cos it's carcken on a Friday when we roll right
Layin' pipe AK taking it worldwide
Say it with me now M double O L I

[Chorus:]

Friday night is the scene
Party people everywhere
Check your frequencies
Let me see you getting down onto the dance floor
Nesian's are you with me
Are you with me

Friday night is the scene
Party people everywhere
Check your frequencies
Let the music take control of your mind body and soul
Get up and get ready
All night all night
