Somebody call Alabama,
Coz mama aim coming home,
You can find me at my grandmothers, Us alone
When the other brothers holly my phone you know it's
on,
Trading war story's of the time gone,
Don't get me wrong,
Now our time away was Al good,
Its just time for brothers to head back to the hood,
Back to the streets, Back in our zone,
My URL counting how many sleeps till i get home,
Only a few hours till i burst through the door,
Take a deep breathe, drop my bags to the floor,
And call for my Son,
Listen close enough,
You can hear the lil feet of my lil man run,
I battle with my sleep through the night,
I know i can't lose this fight,
Cos it won't feel right,
Now you maybe sittin thinkin but why,
To see a familiar sunrise,
Through sleepy eyes.

Chorus

Were back again (were back again)
Were back again (were back again)
Were back again (were back again)
Feels so good, not a moment too soon

(Oldwun)

I had to leave my whole new world behind me / Now im
in
a homesick state of mind see / As soon as I stepped on
the plane / I started contemplatin' & plottin' paths on
how to get back again / But 10 hours on a flight, now
its so far gone / only thing for me now is Home Sweet
Home / I reacquaint myself with my neighbourhood /
pull
up at the house and it feels so good / My olds
overjoyed that they son back / flick off that group txt
that I've come back / let Da Brat Pack know that Tha

Kid is home / and it's all be an hour before im ready to
roam / Unpacking my clothes, still got bags staked in
the hall / get to putting new Evisu's & my Timberlands
on / button up my Pin Stripe wit that 'NM' logo /
Splash that Bvlgari Black now im ready to roll..
Chorus

(Sabre)

Fresh of the plane it's the F.O.P
Finally home now my hearts at ease
Being a rolling stone can't get no satisfaction
Quite like family reaction on revival
It's my secret to survival
Spread the news!
The boys are back in town, we bout to roll through
Plans begin ain't even touch down
Spot the fresh boys un-miss-able in a crowd
Arriving back got more then we left with
Excess baggage...got gifts for the kids
It's a beautiful thing to return home
Guess it's true....you don't know what your got til
your gone
Biggie said it best it was all a dream
But life ain't the same without my family
My little mans already in my bag
Like dad where's my present at....yeah I'm back

(Awa)

Its good to be back I've been missing you,
And chillin with my fams and kickin with my crew,
I'm grateful for the time that I've spend with you,
Its good to back... back... back...

Chorus
