Nesian style is here
Ladies beware
Now tell me if you are down
all the sounds get down
Polynesians all around
Now this is how we move your crowd

[Verse:]

Territorial betrayal as 2 worlds combines
The combination of M.C.'s mentally intertwine
Intellectual capable in this industry
The collaboration of Tarius and Dee's Nesian M.C.'s
Being conspicuous wit' limited intelligence
Calling us delirious when we get serious
Bringing you the next chapter in this Hip-Hop legacy
The democracy of these youngsters technique of
"MoOLi"
Well as this saga continues we stand our ground as
pioneers
Space cadets on a mission to a Nesian frontier not
knowing our next destination
We be taking a lyrical leap into the next Millennium
Free styling on the low down
Battle rhyming like a show-down
Riding the flow like a ho-down
Till the show commences to a close down
So hold up now let me see yaw bounce with me if yaw
down wit me

[Chorus:]

Nesian style is here
Ladies beware
Now tell me if you are down
all the sounds get down
Polynesians all around
Now this is how we move your crowd

[Verse:]

Instantaneously we rocking mic's to knew heights
Represent this Nesian style all day every night

Culturally strong from birth but weak upon our native
tongues

The product of our ancestors seeds from which we
sprung

The saga we maintain combine us wise in memories a
noble lesson learnt from our Fa'atasi family

Elevate the positive this Nesian image must arise

Aotearoa Hip-Hop plain clothed not in disguise

With no demise we be on the rise with our dreaming
eyes

Poly individuals carrying connections to ignite reign for
real upon these mic's on a quest vocalist uplifting
what we do

when we rhyme

Cause we (can't stop) we do this for the love of it

(won't stop) keeping these roots rhymes intelligent

So all them ladies keep shaking them hips and all the
fella's come on and bounce to this

[Bridge:]

If you want to party you got to do it right

Hip-Hop "Mooli" style

if you want to party you got to do it right

Hip-Hop Nesian style

All ya'll bounce we kick it

Nesian style wit natural mystic B

Boogie down victims come you want to test this

Brown sugar guys

Girls you getting restless

all ya'll bounce we kick it

Nesian style wit natural mystic B

Boogie down victims come you want to test this

Brown sugar guys

Girls you getting restless

M - double O - L - I

Tell me if you are down

M - double O - L - I

Tell me if you are down

We Nesian sons together we'll shine as 1
