Yo I don't know
What you do when you do what you do boy
But baby, baby, baby, baby
I don't even care no more
You've got me so
Caught up in ya spell, it's voodoo boy
Well baby, baby, baby, baby
I wanna be there for sure

Cause every time that we rendezvous
I don't wanna go back home
And every time that I'm holding you
Ain't no way to let you go
You're shining down boy the game is through
Listen I don't wanna play no more
Cause the only one that I want is you
Tell me what you wanna do because baby

Cause I just can't stay away
There's nothing that I can do
And baby you can have your way
Just as long as I can have you

And I'd do anything baby
Do anything for ya
And I'd do anything baby
Do anything for ya

Now I've been told
That you got a few and you ain't sure
But baby, baby, baby, baby
You gonna wanna let em' go
Cause I've been sold
On you, I don't check for dues no more
Cause baby, baby, baby, baby
You the way I wanna roll

Cause every time that we rendezvous
I don't wanna go back home
And every time that I'm holding you
Ain't no way to let you go
You're shining down boy the game is through

Listen I don't wanna play no more
Cause the only one that I want is you
Tell me what you wanna do because baby

Cause I just can't stay away
There's nothing that I can do
And baby you can have your way
Just as long as I can have you

And I'd do anything baby
Do anything for ya
And I'd do anything baby
Do anything for ya

I'm down anything, boy, you and me
It's the way you know it's supposed to be
Cause I would do anything for you baby
I'm down anything, boy, you and me
Should be doin what we both know comes naturally
Anything yeah baby cause I

Cause I just can't stay away
There's nothing that I can do
And baby you can have your way
Just as long as I can have you
(And I'd do anything baby, do anything for ya)
You
(And I'd do anything baby, do anything for ya)

Cause I just can't stay away
(Oh no)
There's nothing that I can do
And baby you can have your way
Just as long as I can have you
(And I'd do anything baby, do anything for ya)
You
(And I'd do anything baby, do anything for ya)

And I'd do anything baby, do anything for ya
Cause I'd do anything baby, do anything
