Ooh

Ooh, for you

I had a change of heart
But don't know where to start
What I'm about to say may surprise you
But now I see it clear, life ain't always fair, oh
What can you do, when you don't wanna hurt him
Cause you don't deserve him and there's no other way,
yeah yeah

I'm breakin down, I just can't take it anymore, oh no
I won't let you go, you know I'm comin for you
No matter what it's gonna take I gotta make this move
You're the one that I chose, you know I'm comin for you

And I just can't go another day
Without you next to me, oh, oh yeah

Don't know what to say
Guess I'll take the blame
Eventually it was bound to happen
I know you played your part
I aint trying to make it hard
But it's the right thing to do

When you don't wanna hurt him
Cause you don't deserve him
And there's no other way, yeah yeah yeah

I'm breakin down, I just can't take it anymore, oh no
I won't let you go, you know I'm comin for you
No matter what it's gonna take I gotta make this move
You're the one that I chose, you know I'm comin for you

And I just can't go another day
Without you next to me, oh, oh yeah

Now that you know the truth
Just wanna be with you, can't hold back
This is real, cause what we share
It's undeniable, don't wanna hide no more

Here I am, and I'm coming for you
Oh

I'm breakin down, I just can't take it anymore, oh no
I won't let you go, you know I'm comin for you
No matter what it's gonna take I gotta make this move
You're the one that I chose, you know I'm comin for you

And I just can't go another day
Without you next to me, oh, oh yeah

I'm breakin down, I just can't take it anymore, oh no
I won't let you go, you know I'm comin for you (for you)
