Uhoh yeah yeahhh ohh

I would have to re-learn everything,
If you were to leave,
So fast you make me feel like was autumn leaves,
And honestly... there a perfect explanation
Why you feel so good to say that your

[Chorus:]

My love, my love, my love
I'll give you all my love if you, if you,
If you don't change a thing,
About the way you hold me everynight,

I'm a stick inside a jar,
Turn the lid and set me free,

[Chorus:]

My love, my love, my love
I'll give you all my love if you, if you,
If you don't change a thing,
About the way you hold me everynight,

I'll give you all my love if you, if you,
If you don't change a thing,
About the way you hold me everynight,
So right, I wanna man like you forever in my life. I know,

But when we do, I promise you we'll stick it out
together.

[Chorus: x2]

My love, my love, my love
I'll give you all my love if you, if you,
If you don't change a thing,
About the way you hold me everynight,
So right, I wanna man like you forever in my life.

So right, I wanna man like you forever in my lifeee...
