Caught in a maze
I can't find my way back
But I'm trippin
I love how you do me like that
A week is so long
I don't know how to act
Promise me when I see you
You do me like that

Caught in a maze
I can't find my way back
But I'm trippin
I love how you do me like that
A week is so long
I don't know how to act
Promise me when I see you
You do me like that

Oh, you waitin right in front of me
No it won't be long before you have to go
I think I'm ready to make this thing official
Cause I don't wanna lose you

I'm wantin it
I know you want it too
Come on, let's go
You know just what to do
So don't waste no time cause right now
There's only one way to find out

Caught in a maze
I can't find my way back
But I'm trippin
I love how you do me like that
A week is so long
I don't know how to act
Promise me when I see you
You do me like that

Caught in a maze
I can't find my way back
But I'm trippin

I love how you do me like that
A week is so long
I don't know how to act
Promise me when I see you
You do me like that

It's stormin, at least wait till the rain stops
If ya leave there'll be no one to keep me warm here
You make me wanna "ooh"
I never woulda called if I wasn't tryna see you

I'm wantin it
I know you want it too
Come on, let's go
You know just what to do
So don't waste no time cause right now
There's only one way to find out

Caught in a maze
I can't find my way back (Ooh no)
But I'm trippin
I love how you do me like that (Come on)
A week is so long
I don't know how to act
Promise me when I see you
You do me like that (Do me like that)

Caught in a maze
I can't find my way back (Ooh)
But I'm trippin
I love how you do me like that (Ooh)
A week is so long (Do me like that)
I don't know how to act
Promise me when I see you
You do me like that

I know I've never said this
I know I wasted time
All the things that we can do on my mind
Many say they want it but I waited for you
It's you that I adore for real
You wanna know the truth
Cause I adore what you do

Caught in a maze
I can't find my way back
But I'm trippin
I love how you do me like that
A week is so long
I don't know how to act
Promise me when I see you

You do me like that

Caught in a maze (Ooh)
I can't find my way back
But I'm trippin
I love how you do me like that (Ooh)
A week is so long
I don't know how to act
Promise me when I see you
You do me like that, yeah

Oh
Do me like that yeah
Promise me
Ooh
Ooh ooh, ooh ooh
Ooh ooh, ooh ooh
Ooh ooh, ooh ooh
Hey
