Verse 1:

He's in my system caught up shukin out of control
He's makin me do things baby I want him
Maybe I don't at all
He's changin my world
I think he should know the way to stop the fall
Don't think that I like it, but I wont fight it
Maybe I'll let him know
And now I'm suckin unless
And I'm addicted to this
Might it's raisin'
Car are waitin'
But I'm likin' in my shell
And now I'm putting cans up
Must be waitin' on this
Turn on the clubin'
I can't control them
Know he's waitin on this

Chorus:

He's got me shook up and down
He's got me beatin' and now
The way he moves
He shakes the rooms
He's walkin' I don't know how
But, I know tonight he is (Oh Yea!)
Can't deny it (Oh Yea!)
He's got me Shook Up and down
He's got me Shook Up, Shook Up

Verse 2:

So how you want me to feel
When you came messed up in here
Say you loving
Want to touch you
And now it's easier than this
Everyone's watchin' (watching)
They can keep watchin' (watching)
Loves the way
He's got me feelin'
And nobody is in between
But baby what I do unless

Way up under my breath
For all I need
To flee the scene
And they can't take no place next
But, maybe what I do move up
He won't set up unless
Don't let heaven be a clubin'
And now I'm caught up like this

Chorus:

He's got me shook up and down
He's got me beatin' and now
The way he moves
He shakes the rooms
He's walkin' I don't know how
But, I know tonight he is (Oh Yea!)
Can't deny it (Oh Yea!)
He's got me Shook Up and down
He's got me Shook Up, Shook Up
NOW!

Verse 3:

It takes a party to know when it flees
When it rains
Well shine (He makes it shine)
Might be the reason my heart's beatin'
My love
You got me noooooow

(Claps) (Claps)

Oh! Oh! Oh! Ooooh!

(Claps) (Claps)

Oh! Oh! Oh! Ooooh!

(Claps) (Claps)

Oh! Oh! Oh! Ooooh!

(Claps) (Claps)

Oh! Oh! Oh! Ooooh!

Chorus (x2):

He's got me shook up and down
He's got me beatin' and now
The way he moves
He shakes the rooms
He's walkin' I don't know how

But, I know tonight he is (Oh Yea!)
Can't deny it (Oh Yea!)
He's got me Shook Up and down
He's got me Shook Up, Shook Up
NOW!

(Beat fades out!)
