Mmm hmm
Ohh
Ohh oh oh
You'll always be my sunshine

Sunshine
You'll always be my sunshine
No one compares to you
Don't you go, don't you go nowhere (No)
You make all my dreams come true (They're comin
true, comin true for me, yeah)
And that's why you'll always be my sunshine
My sunshine

When I see you
I have to stop to catch my breath, oh
Because it's somethin that you do to me
That I just can't express
And it may seem kind of crazy but it's true
Everything is all about you, yeah

Sunshine
You'll always be my sunshine (You'll always be my
sunshine)
No compares to you
Don't you go, don't you go nowhere
You make all my dreams come true (They're comin true
yeah)
And that's why you'll always be my sunshine
My sunshine

Sometimes it may rain
And sometimes it may pour
Oh yeah
But you always seem to bring me so much joy
People may not understand but who cares
You're always right there
Please don't go no where

And everytime I'm feelin lonely
Lonely, you're right there
And like an angel

You're always right on time
So glad you're finally mine

Sunshine
You'll always be my sunshine
No compares to you
Don't you go, don't you go nowhere
You make all my dreams come true (They're comin
true)
And that's why you'll always be my sunshine (My
sunshine, my sunshine)
Sunshine (You'll always be, you'll always be)
You'll always be my sunshine
No compares to you
Don't you go, don't you go nowhere (Please don't,
please don't go)
You make all my dreams come true (Stay right here)
And that's why you'll always be my sunshine
