[Spoken:]

Hey, just givin' you a wake up call  
Ha ha ha ha ha ha ha ha

[Chorus:]

I'm giving you a wake up call  
Wake up, wake up  
Just to say that I love you  
And that I'm thinking of you  
Lettin' you know that you got friends

I'm giving you a wake up call (Oh)  
Wake up, wake up  
It's a beautiful day  
Don't let it slip away  
And live it like it's the first day  
Of the rest of your li-ife

[Verse 1:]

Just stopping by  
To let you know what's up  
Give you a courtesy what you're doin'  
I got somewhere to go today  
I wanted to know if you would come and have fun with  
me

I know you have lots of plans  
But we can hang with friends  
Just wanna chill with you  
So what'cha gonna do? (Do?)  
Baby, it's up to you (Ooh)

[Chorus:]

I'm giving you a wake up call  
Wake up, wake up  
Just to say that I love you  
And that I'm thinking of you  
Lettin' you know that you got friends

I'm giving you a wake up call (Oh)  
Wake up, wake up  
It's a beautiful day

Don't let it slip away  
And live it like it's the first day  
Of the rest of your li-ife

Wake up, wake up  
Wake up, wake up

[Verse 2:]

It's me and my friends  
At the crib, eatin' pizza  
Coolin' it down while we watch a movie  
Don't need no moms and dads  
We got it covered  
Cause we know exactly what we're doin'

You don't wanna miss out  
Hanging out all alone  
While we're havin' a party  
Home alone we shot  
So here's an invitation

[Chorus:]

I'm giving you a wake up call  
Wake up, wake up  
Just to say that I love you  
And I'm thinking of you  
Lettin' you know that you got friends

I'm giving you a wake up call  
Wake up, wake up  
It's a beautiful day  
Don't let it slip away  
And live it like it's the first day  
Of the rest of your li-ife

Wake Up, wake up

Yeah, yeah

[Rap:]

You know it's party time  
I'm hanging up behind  
It's the party of the year  
I'm so glad it's mine  
Ladies drive through  
Fellas come too  
You see the videos  
You know what I'm about to do  
Set the bigger fire  
Got the bigger wire  
Got'cha singing like the Harlem boys' church choir

Yeah, you know what's up  
I see you gettin' buck  
But before we get started,  
You gotta wake up

[Chorus:]

I'm giving you a wake up call  
Wake up, wake up  
Just to say that I love you  
And that I'm thinking of you  
Lettin' you know that you've got friends

I'm giving you a wake up call (Oh)  
Wake up, wake up  
It's a beautiful day  
Don't let it slip away  
And live it like it's the first day  
Of the rest of your li-ife

Wake up, wake up  
Yeah, yeah

I'm giving you a wake up call, yeah

Wake up, wake up
