I thought that you were the best part of me  
Baby, I guess that we just believe what we wanna  
believe  
I thought I knew you so well, I couldn't tell  
That this was sinking so deep  
I see it now, I'm breathing now  
It's time for me, For me

To let it go

It was cool when it started but now the flame has gone,  
You're the Wrong Man For The Job,  
My heart is breaking to piece's but still I'm moving on,  
You're the wrong man for the job,  
Can't believe it took me so long to realise,  
Finally know what it feels like ( you're the wrong man  
for the job)  
I'm starting over but I won't be afraid, I'm sorry to say  
You're the wrong man for the job

Sometimes I wish I could take back everything,  
It'd be easier to never have known you,  
I would save myself so much pain,  
Still I can't stop thinkin' bout what I'm gonna do without  
you in the lonely  
ights,  
But I now know what I gotta do, I can't ever change you  
I'm lettin it go tonight.

Hey

It was cool when it started but now the flame has gone,  
You're the wrong man for the job,  
My heart is breaking to pieces but still I'm moving on,  
You're the wrong man for the job,  
Can't believe it took me so long to realise,  
Finally know what it feels like ( you're the wrong man  
for the job)  
I'm starting over but I won't be afraid, I'm sorry to say  
You're the wrong man for the job

I'm lookin for somebody to love me, the way I should be  
loved( the way I  
Hould be loved)  
I need someone to do more for me than you have ever  
done,  
I love you, but you're not the one.

It was cool when it started but now the flame has gone,  
You're the wrong man for the job,  
My heart is breaking to pieces but still I'm moving on,  
You're the wrong man for the job,  
Can't believe it took me so long to realise,  
Finally know what it feels like ( you're the wrong man  
for the job)  
I'm starting over but I won't be afraid, I'm sorry to say  
You're the wrong man for the job

You're the wrong man for the job  
You're the wrong man for the job
