Teenagers from Mars

Well we land in barren fields  
On the Arizona plains  
The insemination of little girls  
In the middle of wet dreams

We are the angel mutants  
The streets for us seduction  
Our cause unjust and ancient  
In this "B" film born invasion

Teenagers from mars and we don't care  
Teenagers from mars and we don't care  
Teenagers from mars and we don't care

Well we've seen your 3-d movies in violent abduction  
We blast your mindless structure and inferior  
connection  
We take your weak resistance, we throw it in your face  
We need no introduction for mass annihilation

Teenagers from mars and we don't care  
Teenagers from mars and we don't care  
Teenagers from mars and we don't care

Well we need no introduction  
No visas or carte blanche  
Inhuman reproduction  
We're here for what we want

We want, we need it, we'll take it  
We want, we need it, we'll take it  
We want, we need it, we'll take it  
We want, we need it, we'll take it, yeah

Teenagers from Mars and we don't care  
Teenagers from Mars and we don't care  
Teenagers from Mars and we don't care

Teenagers from Mars and we don't care  
Teenagers from Mars and we don't care

Teenagers from Mars and we don't care

Well we don't care  
(And we don't care)  
Well we don't care  
(And we don't care)  
Well we don't care  
(And we don't care)  
Well we don't care  
Well we don't care  
We'll take it and we'll, we don't care  
(And we don't care)
