"Threshold"

I'm hearing voices, animal noises
The creme de la creme, the feminine abyss
And I'm reaching my threshold
Staring at the truth 'till I'm blind

My body's stupid, stereo putrid
Spilling out music into raw sewage
I'm reaching my threshold
Staring at the truth 'till I'm blind

My threshold
My threshold
Reaching my threshold

I'm hearing voices, animal noises
The creme de la creme, the feminine abyss
And I'm reaching my threshold
Staring at the truth 'till I'm blind

My threshold
I'll explode

Reaching my threshold
(My threshold)
My threshold
(My threshold)
My threshold
(Reaching my threshold)
My threshold
