I know it's over and I know you still want me
I know it's a bummer but there's somebody out there
Who will fill in my shoes, do it all for you
Somebody who will know what to do
And when the summer comes and you are feeling
lonely
I'll be your shoulder and your friend if you want me
But I won't be the one you say I love you to
I've got dreams in my mind many things to do

Oooh I'm not the, I'm not the girl for you
Oooh I'm not the, I'm not the girl for you
Oooh oooh I'm not the girl for you
We never thought that this could end
No matter what we'll still be friends
Oooh oooh I'm not the girl for you

And you say it's not ok
To move on and walk away
It's not you I think it's me
Many sleepless nights and days
You were never second best
But my love is not a game

Oooh I'm not the, I'm not the girl for you
Oooh I'm not the, I'm not the girl for you
Oooh oooh I'm not the girl for you
We never thought that this could end
No matter what let's still be friends
Oooh oooh I'm not the girl for you

I don't want to hurt you
I don't want to cry
I got to find another boy
To get you off my mind
I don't want to hurt you
I don't want to cry
You got to find another girl
To get me off your mind
I don't want to hurt you
I don't want to cry
I got to find another boy

To get you of my mind
I don't want to hurt you
I don't want to cry
You got to find another girl
To get me off your mind

Oooh I'm not the, I'm not the girl for you
Oooh I'm not the, I'm not the girl for you
Oooh oooh I'm not the girl for you
We never thought that this could end
No matter what let's still be friends
Oooh oooh I'm not the girl for you
Oooh I'm not the, I'm not the girl for you
Oooh I'm not the, I'm not the girl for you
Oooh oooh I'm not the girl for you
We never thought that this could end
No matter what let's still be friends
Oooh oooh I'm not the girl for you
We never thought that this could end
No matter what let's still be friends
Oooh oooh I'm not the girl for you
We never thought that this could end
No matter what let's still be friends
Oooh oooh I'm not the girl for you
