She said, I think we're dead
He said, It's all in your head
She said, Where's my life gone?
He said, It's here where you belong

She said, It's not so fair,
Flying, playing solitaire,
He said, You can count me in,
Cast your stones if you know sin,

Careful what you wish for
Careful what you yearn
Careful who you pray for
The heart should play my turn

She said, I must leave you,
Taste the fruits of pastures new,
He said, Girl you'll break my heart,
Don't come back you played your part,

Careful what you wish for
Careful what you yearn
Careful who you pray for
The heart should play my turn

She said, I've been so wrong,
Missed you now for oh so long,
He said, Girl you're too late,
I have found my true soul mate,

Careful what you wish for (X12)

Careful what you wish for
Careful what you yearn
Careful who you pray for
The heart should play my turn

Careful what you wish for
Careful what you yearn
Careful who you pray for
The heart should play my turn
