Today I walked through the door and fell down on my
floor
Got all of my papers out and read them
Seems that I've been wanderin' for a little too long
Yeah, the desert can be hot if you waste it
Took a stab in the dark and missed again I believe
The hardest part is not seein' what I used to see
My fifth route to endeavor where it does all it can
To whisper in both my ears make-believe stories

Where are my friends now?
They're not around when I need them
I cannot pretend
Yeah I find myself against all the odds again

I like to think I'm strong and then I'm proven wrong
Grab the keys to my car and go to work again
Yeah showed up late
Got screamed in my face
Turn around, I'm punched drunk
But I'm laughin'
Got some thoughts in my chest, they're playin' games
with my head
Ten hours of sleep, I'm in my bed again
Scream up to my God, say "I do what I can"
How am I gonna move on from the circumstance?

Where are all of my friends now?
They're not around when I need them
I cannot pretend
Yeah I find myself against all the odds again

Yeah, yeah
I'm against all the odds again
