You told me you loved me
You told me you cared
You told me you needed me
But I guess those were
Words without meaning

Tu m'as dit fais moi confiance
Tu mentais si bien
J' avais foi en ta parole
Plus que tout, je voulais
Croire en ces mots

Tu m'as dit je t'aime tant
Tu l'as dit souvent
You said boy please
Toi et moi, c'est pour la vie

You said together we'll be
For the rest of our lives
You said that you hoped and dreamed
But I guess those were
Words without meaning

Souviens - toi de tes promesses
Souviens - toi d'hier
Tu me disais n'aies pas peur
Plus que tout, je voulais
Encore Croire en ces mots
Jusqu'au bout, je voulais
Croire en ces mots

Lead Vocals by Taj Jackson
