Original 3T come through and cut clean

It's gotta be you
(bop your heads to this)
It's gotta be you
No one else can do all the things you do

I miss the way you feel
Can't believe you're gone for real
I gave you all I had
A lovers paradise gone bad

I see you in the movies
And on the paper
And in every face I know
I'm trying to forget you
But I can't girl
True love is not for show

It's gotta be you
No one else can do all the things you do
It's gotta be you
Give me one more chance to get next to you
It's gotta be you

(Herbie)
It's gotta be you
Really what I need, really what I want
And I really know I really want you back
You got me like a zombie
Nymphomaniac getting none
See you really miss my little kitty cat
It's getting kind of crazy
Ground is getting shaky
Got myself a triple hit and everything is black
Cronic like a bomb blow me up and now you're gone
'Cause ya nappy - headed friends say I'm bad
That's a fact

I see you in the movies
And on the paper

And in every face I know
I'm trying to forget you
But I can't girl
True love is not for show

It's gotta be you
(it's gotta be you)
No one else can do all the things you do
It's gotta be you
(it's gotta be you)
Give me one more chance to get next to you
It's gotta be you
(it's gotta be you)

I need a second chance
I need some time to understand
Is this how it all will end
No explanations in your game
(bop your heads to this, come on ya'll)

It's gotta be you
(I'm trying to find a reason)
(I don't see one)
(But I guess you got your own)
(I hear it on the grapevine)
(That your not mine)
(Now I got to let you know)

It's gotta be you
(I'm trying to find a reason)
(I don't see one)
(But I guess you got your own)
(I hear it on the grapevine)
(That your not mine)
(Now I got to let you know)

It's gotta be you
(it's gotta be you)
No one else can do all the things you do
It's gotta be you
(it's gotta be you)
Give me one more chance to get next to you
It's gotta be you
(it's gotta be you)

It's gotta be you
(it's gotta be you)
