Rise above gonna start the war  
Whatcha want whatcha need whatcha come here for  
Well an eye for an eye and an F for fight  
Takin me down as the prisoners riot

Got shackles on my words so tight  
Fear can make you compromise  
Fast enough it's hard to hide  
Sometimes I want to disappear

When I feel kinda bad and I'm all distressed  
Pass it off on a better day  
Well you got whatcha want whatcha never knew  
Perfect gift from me to you

Yeah yeah yeah

Got shackles on my words so tight  
Fear can make you compromise  
Fast enough it's hard to hide  
Sometimes I want to disappear

(Raise up to your ability)  
You never knew that I could find  
What could come when we realize

The sun won't stop with the compromise

(Raise up to your ability)  
Can't stand while I disappear  
Run around before i'm filled with fear  
Like a glue cause my life is filled with red

(Raise up to your ability)  
I know that you wanna  
Throw me into the sea  
For my ability

(Raise up to your ability)  
Yeah you're undecided  
Yeah I just want to leave it  
Yeah I'm gonna wanna runaway

Focus on your ability  
Focus on your ability  
Now focus on your ability  
Focus on your ability

Gain again what they want to steal  
Gain again what they want to steal  
Gonna gain again what they want to steal  
Gain again what they want to steal
