I'll give you life
The things you want
Ooo I'll
I would do anything for you
I would do anything, girl anything for you

Sitting at home another lonely night
Wish you were here so i could hold you tight
Reading my heart because im all alone
Why did you leave
Why did your love have to go

I would do anything for you,
I would

Thinking of ways that i could mend you heart
But im so confused i don't know where to start
Visions of love forever in my mind
I wait for the day when i could say that girls mine

Cause I would do anything for you
Yes i would

*Chorus:

I'll give you love (I'll give you life)
The things you want (the things you want)
Baby there's nothing in this world I wouldn't do
I would do anything for you
I would do anything for you
I would do anything, girl anything for you

So what can I do to prove I need your love
What will it take because i wont give up
Open your heart and let your feelings show
Cause deep down inside my heart just wont let you go

I would do anything for you
Yes I would

*Chorus

So if there ever comes a time

When it's true love that is divine
Just call out my name
And girl i swear i will do anything

I'll you life (ooo I'll give you love girl)

I would do anything for you
I would do anything for you
I would do anything, girl anything for you

Said i'd give you love

I'll give you life
The things you want
Oooo I
I would do anything for you
I would do anything for you
I would do anything, girl anything for you

I'll give you love.
