Foster The People
"I'm So Alone"

I was wrong
You were right
Now your gone
And I spend all my time here at home
So all alone
I was a fool to have let your love go
Now girl I know
How much I love you and need you
I can't live without you, girl

I'm so alone
Please hurry home
I just can't take it
Girl, my heart won't make it
So, please hurry back
I just can't wait
Time after time
You know I have been praying for love
Waiting for love
As long as you living just know that
I'm needing your love

From my heart
With all my soul
And everything in this world
You deserve
So much can show
How much I love you and need you
I can't live without you, girl

I'm so alone
Please hurry home
I just can't take it
Girl, my heart won't make it
So, please hurry back
I just can't wait
Time after time
You know I have been praying for love
Waiting for love
As long as you living just know that
I'm needing your love

Say it's not over
I'm nothing without you
Can't sleep at night
Without holding you tight
I love you
I need you
I can't live without you, girl

I'm so alone
Please, hurry home
I just can't take it, girl
My heart is aching
So please, hurry back
I just can't wait
I just can't take it
I can't live without you, girl
I'm so alone
Please, hurry home
I just can't take it, girl
My heart is breaking
So please, hurry back
I just can't wait
Time after time
You know I have been praying for love
Waiting for love
As long as you living
Just know that
I'm needing your love
