Hello my name is Mark
I play gentleman's games
And I just slip through and creepin'
Through the night's parade
I shake a hand or two, I tip my hat to you
I'm always runnin' and i'm jumpin'
Like a fool who would do
On through the wild
I see her
She sees me
We could be
Something, it's exciting
Wanna run away
But I don't move, I stay
I talk to her, I say
Y-y-y-you were meant for me
Oh I can't speak
I think I'm falling in

LOVE, LOVE, LOVE,
It could be a wonderful thing, love love
It could make you crazy

Sarah, she's a cougar
Got moves like barracudas
On the hunt for the runts
That look under twenty-two years
Got her head up high
High heels that match her thighs
And she be spending lots of money
Her friends think she's real funny
She says "Hey, look at me"
"You will see that I'm a queen"
Got experience to give of

A life you've never lived
But all the boys just run
She never has her fun
Oh yeah
But Sarah, she don't care
She keeps lookin'
Cause she's hopin' for

LOVE, LOVE, LOVE,
It could be a wonderful thing
Love, love, it could make you crazy
LOVE, LOVE, LOVE,
It could be an incredible thing
Love, love, if you have it, it's amazing.

I got the fever
Got the fever
Got the fever, I said
She's got the fever
Got the fever
Yeah I'm fallin' in love
He's got the fever
Got the fever
Got the fever, I said
They've got the fever
Got the fever
Yeah I'm fallin' in

LOVE, LOVE, LOVE,
It could be a wonderful thing
Love, love, it could make you crazy
LOVE, LOVE, LOVE,
It could be an incredible thing
Love, love, and if you have it it's amazing.
