Hold on, babe  
Hold on, baby  
Wherever you are  
This one's for you

Memories of you and me and  
If this way was meant to be  
I cry  
Memories of you and me and  
If this way was meant to be  
Then why  
(tell me why)

Growing up with you by my side  
I thought that life would be so easy, yeah  
Now that you're gone  
And my heart stands all alone  
I have realized what it is that I'm missing  
'Cos it'll not come back

Memories of you and me (memories) and  
If this way was meant to be  
I cry  
(I cry, I cry)  
Come on baby  
Memories of you and me and  
If this way was meant to be  
Then why  
(tell me why)  
Then why

Isn't gone  
Or is it true that I'm just assuming  
That our hearts will never beat as one  
'Cos it's so hard for me to forget  
All the plans and thoughts we said  
I guess that's why it hurt me when you said  
Hold on, be strong  
Move on, goodbye  
Goodbye, goodbye  
You said

Hold on, be strong  
Move on, goodbye  
I've tried, oh, I've cried  
But goodbye

Memories of you and me (baby) and  
If this way was meant to be  
I cry  
(I cry)  
Memories of you and me (memories) and  
If this way was meant to be  
Then why  
(why my love)

Oh, baby  
Taj (spoken)  
(memories we shared)  
Hey,  
It's me again (that special times we had)  
You know, I'm not much of a talker  
(and I was say goodbye)  
But I just wanted to let you know  
That I think about you every day  
(memories we shared)  
Deep in my heart I still believe  
(that special times we had)  
That there'll be a time  
When we're together again  
(and I was say goodbye)  
I love you and I miss you  
Tell me why it hurts  
When we still love each other

Memories of you and me and  
(goodbye my love)  
If this way was meant to be  
(goodbye my love)  
I cry  
(goodbye, goodbye)  
Memories of you and me and  
(goodbye my love)  
If this way was meant to be  
(goodbye sweet), sweet love

Memories of you and me and  
(tell me why we must)  
If this way was meant to be  
(be this way)  
I cry  
Memories of you and me and  
(tell me why we must)

If this way was meant to be  
(be this way)  
Then goodbye my love
