And there she goes
She was sittin' really nice with her head filled with
advice from her friends
She walks around
She tries to rearrange but everything goes under her
bed
And its countless
She's got a jar full of change saved up for vacation
And she's watchin'
She's watchin' her sons growing up just like their mom
And it's hard

And I said, Ruby, Ruby, Ruby
Gotta start liftin' your head up, head up, head up
I said Ruby, Ruby, Ruby
I know it's hard but you've gotta get out of bed, out of
bed, out of bed
Yeah, She don't know what to do
She's got everything and nothing to lose

She got a call from a guy just seeing if she's alright
Yeah, She's got a face full of tears held back by the
strength of five
And she says "Happiness ain't free,
Everybody fights just like me,
But i've given up the abiliy to retreat."

And I said Ruby, Ruby, Ruby
Gotta start liftin' your head up, head up, head up
I said Ruby, Ruby, Ruby
I know its hard but you've gotta get out of bed, out of
bed, out of bed
Yeah, She don't know what to do
She's got everything and nothing to lose

Yeah, Yeah you've got time to figure it out
I'm here so don't be scared
Got time to figure it out
I'm here and I am here
Got time to figure it out
I'm here so don't be scared
Got time to figure it out

I'm here so don't be scared

(Ruby, Ruby, Ruby) x2
I said Ruby, Ruby, Ruby
I said Ruby, Ruby, Ruby
I said Ruby, Ruby, Ruby
I said Ruby, Ruby, Ruby

All alone
Rest your head
On my lap
When you're down

All Alone
Rest your head
On my lap
On my lap

(Ruby, Ruby, Ruby)
Ruby don't cry
