Turn off the lights and close the door  
Girl I've been waiting for you long  
We don't need to pretend anymore  
Let's stop wasting time come here right on The floor  
Girl I'll be so gentle with you  
I'll take my time get you in the mood, baby  
And anything girl you want done  
I'll do it for you baby  
So don't you run

Girl I'm still waiting (waiting)  
Waiting for love (for your love)  
Anticipating you're all I think of (all I'm thinking of)  
Girl I'm still waiting (waiting)  
Waiting for love (for your love)  
Anxiously, patiently waiting for love

Don't you deny what you feel inside  
You've wanted to be with me all of this time  
I can see the passion in your eyes  
You nervously sigh every time that I try  
Baby you're for me and I've got what you Need  
Girl and don't you worry, your love I will Keep, babe  
Girl just relax and let your feelings go  
We'll take our time baby  
So don't you run  
No, no, no, no, no

Girl I'm still waiting (hey girl)  
Waiting for love (don't be shy)  
Anticipating you're all I think of (relax and Let your feelings go)  
Girl, I'm still waiting (cause I know what I want and I want what I see, girl)  
Waiting for love  
Anxiously, patiently waiting for love (I want hurt you baby...ooh wha, baby, ooh wha, baby)  
Baby don't you know the way I feel for you inside (don't you know the way you make me feel inside)  
Don't you try and don't deny you know it's feeling right (ooh wha, baby)

Baby don't you know the way I feel for you inside (relax  
and let your feelings go)  
Don't you try and don't deny you know it's feeling right  
(I won't hurt you baby, I won't bite ya girl)  
Girl I'm still waiting (hooo....baby...)  
Girl I'm waiting for your love (baby)
