You told me you loved me
You told me you cared
You told me you needed me
But I guess, those were words, without meaning
You said I could trust in you
You said all was fine
You said that you spoke the truth
But I guess, those were words, without meaning
You told me you loved me
You told me you cared
You said boy please don't worry about a thing
You said together we'd be
For the rest of our lives
You said that you hoped and dreamed
But I guess, those were words, without meaning
I thought that you loved me
I thought that you cared
You lied straight into my eyes
And now I realize
Your words had no meaning
Can't believe, you told me...
Words without meaning...
