Everything that it seems
Is inches from my reach
Unfortunately
This will never change

I don't wanna walk on water
That doesn't mean I'd like to sink
All I ever wanted was you

I just can't relate
With anything you say
Are you surprised
I throw everything away?

I came around too late
What am I supposed to say?
I'm not surprised
I scared everyone away

Everyone that I need
Has disappointed me
I can only see
This will never change

I don't wanna walk on water
That doesn't mean I'd like to sink
All I ever wanted was you

I just can't relate
With anything you say
Are you surprised
I throw everything away?

I came around too late
What am I supposed to say?
I'm not surprised
I scared everyone away

You are scared of me
But I'm more afraid of you
Than you are me (x2)

I don't wanna walk on water
That doesn't mean I'd like to sink
All I ever wanted was you

I just can't relate
With anything you say
Are you surprised
I throw everything away?

I came around too late
What am I supposed to say?
I'm not surprised
I scared everyone away
