I believe
Every word you've ever spoken
Lie to me
With every promise you have broken

Just know that I will always be
always be your fool!
I have always been
Always been your fool
I will always be
Always be your fool

I have wept
with every bruise you ever gave me
But I have kept the hope that one day
You will save me

Just know that I will always be
always be your fool!
I have always been
Always been your fool
I will always be
Always be your fool

I will always be
always be your fool!
I have always been
Always been your fool
I will always be
Always be your fool
