"Beautiful Day"

The heart is a bloom
Shoots up through the stony ground
There's no room
No space to rent in this town
You thought you'd found a friend
To take you out of this place
Someone you could lend a hand
In return for grace

It's a beautiful day
Don't let it get away
It's a beautiful day

You're on the road
But you've got no destination
You're in the mud
In the maze of her imagination
You love this town
Even if that doesn't ring true
You've been all over and it's been all over you

It's a beautiful day
Don't let it get away
It's a beautiful day

Touch me
Take me to that other place
Teach me
I know I'm not a hopeless case

See the world in green and blue
See China right in front of you
See the bird with a leaf in her mouth
After the flood all the colours came out

(Day, day)
It's a beautiful day
Don't let it get away
It's a beautiful day

Touch me

Take me to that other place
Teach me
I know I'm not a hopeless case

What you don't have you don't need it now
What you don't know you can feel somehow
What you don't have you don't need it now, you don't
need it now
It's beautiful
