Wake up in the morning and I raise my weary head  
I got an old coat for a pillow and the earth was last  
night's bed  
I don't know where I'm goin', only God knows where I've  
been  
I'm a devil on the run, a six gun lover, a candle in the  
wind

I'm goin' down in a blaze of glory  
But take me now and know the truth  
I'm goin' out in a blaze of glory  
Lord I never drew first but I drew first blood  
And I'm no one's son  
Call me young gun

You're brought into this world  
They say you're born in sin  
Well, at least they gave me somethin' I didn't have to  
steal or have to win  
Well, they tell me that I'm wanted  
Yeah, I'm a wanted man  
I'm a colt in your stable, I'm what Cain was to Abel  
Mister, catch me if you can

Shot down in a blaze of glory  
But take me now, know the truth  
I'm goin' down in a blaze of glory  
Lord I never drew first but I drew first blood  
And I'm the devil's son  
Call me young gun

Each night I go to bed  
Pray the Lord my soul to keep  
No, I ain't looking for forgiveness  
But before I'm six foot deep  
God, I gotta ask a favour and I hope you'll understand  
'Cause I've lived life to the fullest  
Let this boy die like a man  
Starin' down the bullet, let me make my final stand

Shot down in a blaze of glory

Take me now but know the truth  
I'm going out in a blaze of glory  
Lord I never drew first but I drew first blood  
And I'm the devil's son  
Call me young gun
