Risin' up, back on the street
Did my time, took my chances
I went the distance, now I'm back on my feet
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Face to face out in the heat
Hangin' tough, stayin' hungry
They stack the odds until we take to the street
For the kill and the skill to survive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Risin' up, straight to the top
Had the guts, got the glory
I went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

The eye of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger
