Don't ask me  
What you know is true  
Don't have to tell you  
I love your precious heart

I, I was standing  
You were there  
Two worlds collided  
And they could never tear us apart

We could live  
For a thousand years  
And if I hurt you  
I'd make wine from your tears  
I told you  
That we could fly  
'Cause we all have wings  
But some of us don't know why

I, I was standing  
You were there  
Two worlds collided  
And they could never, ever tear us apart

I (don't ask me)  
I was standing (you know it's true)  
You were there, baby (worlds collided)  
Two worlds collided (shining through)  
And they could never tear us apart  
No, I (don't ask me)  
I was standing (you know it's true)  
You were there (worlds collided)  
Two worlds collided (shining through)  
And they could never, ever tear us apart
