And I don't have Mozart's talent  
I don't have Shakespeare's hand  
You could say I'm ordinary  
Yeah, the ordinary man  
But I'm not just anybody  
See, I got love like no one else  
And every time that she is with me  
One look and you can tell

Our love ain't ordinary  
Our love ain't typical  
It's winter in January  
It's strange and beautiful  
She's got me actin' crazy  
I don't know who I am  
But when I'm with her I know that I'm  
No ordinary man  
No ordinary man

I ain't been to many places  
But I've seen so many things  
Like the way she never changes  
Like the way she's perfect just for me  
Those eyes and her smile and her face  
Got me high like a bird, watch me fly

Oh, our love ain't ordinary  
Our love ain't typical  
It's winter in January  
It's strange and beautiful  
She's got me actin' crazy  
I don't know who I am  
But when I'm with her I know that I'm  
No ordinary man  
No ordinary man

I can see my future  
Whenever I'm with her  
No matter where I look I  
Won't find a love that's better

Our love ain't ordinary  
It ain't typical  
It's winter in January  
It's strange and beautiful

Yeah, our love ain't ordinary  
Our love ain't typical  
It's winter in January  
It's strange and beautiful (it's so strange)  
She's got me actin' crazy  
I don't know who I am  
But when I'm with her I know that I'm  
No ordinary man  
No ordinary man  
Ordinary man  
No ordinary man
