Mabey I'm just a hero in the story
Mabey you the same as me
But if it's true, we can make our own goverment
Just how we want it to be
Evaeryday we can have again a Sunday
Evaryone to know the music that we play
And then no one is gonna show
It's almost over

Turn it up, cuz no ones gonna get us down
Turn it up, I only wanna hear the sound
Of this rockin' and rollin',
Hit the 6th string that I'm holdin'
Turn it up, cuz no ones gonna get us down
Turn it up, I only wanna hear the sound
Of this yellin' and singin'
Or the symbols hear them ringing

Monday morning gonna fly out to Mexico
Tuesday night were gonna rock out the show
I cannot call you when we touchdown in UK
We gatta flt all night
Then by Friday we'll be bak in America
Gotta tell you we feel good
To see our family and crank up the music loud

Turn it up, cuz no ones gonna get us down
Turn it up, I only wanna haer the sound
Of this rockin' and rollin',
Hit the 6th string that I'm holdin'
Turn it up, cuz no ones gonna bring us down
Turn it up, I only wanna hear the sound
Of this yellin' and singin'
Or hte symbols hear them ringing

And I gotta let you know, will I see you after the show
Will I see you there in crowd
Cuz it's gonna be (gonna be)
Cuz it's gonna be loud

Turn it up, cuz no one gonna get us down
Turn it up, I only wanna hear sound

Of this rockin' and rollin',
Hit the 6th string that I'm holdin'
Turn it up, cuz no ones gonna bring us down
Turn it up, I only wanna hear the sound
Of this yellin' and singin'
Or the symbols hear them ringing
