I like the girls, I like to wrap in laces,  
Take care of their body and got nice faces,  
I like them girls I go...  
Short, long hair, don't matter, no!  
You gotta love yourself and know that you're sexy!  
I can clearly see it, I know that you're sexy!  
Enough for me to go around cause I'm ready  
To be shared with the word!

Oh, she keep it moving,  
Shwaty got balance .  
I wanna call her, six figure balance,  
She got her cash up,  
Shawty wanna...  
Yeah!  
Cause we like her!  
We like her too!  
We like her!  
We like her too!  
We like her!  
We like her too!  
Oh!  
We never discriminate...  
Wish that I could love every girl in the world,  
Wish that I could love every girl in the world, yeah!  
Wish that I could,  
Every girl!

I like them inside skinny jeans,  
With their stilettos on, looking really mean.  
I like them girls, I like them wrap in dresses,  
...girl, look at that place in!  
You gotta love yourself and know that you're sexy!  
I can clearly see it, I know that you're sexy!  
Enough for me to go around cause I'm ready  
To be shared with the word!

Oh, she keep it moving,

Shwaty got balance .  
I wanna call her, six figure balance,  
She got her cash up,

Shawty wanna...  
Yeah! (x2)  
Cause we like her!  
We like her too!  
We like her!  
We like her, too!  
We like her!  
We like her, too!  
Oh!  
We never...  
Wish that I could love every girl in the world,  
Wish that I could love every girl in the world, yeah!  
Wish that I could,  
Every girl!

We never discriminate...  
Wish that I could love every girl in the world,  
Wish that I could love every girl in the world, yeah!  
Wish that I could,  
Every girl!  
Cause we like her!  
We like her too!  
We like her!  
We like her too!  
We like her!  
We like her too!  
Oh!  
Wish that I could love every girl in the world,  
Wish that I could love every girl in the world, yeah!  
Wish that I could,  
Every girl in the world, yeah!
