When the bible comes to ruin freedom  
Religious conservatives will deplete happiness  
Directed at the oppressed youth of the nation  
Stricter laws and expectations destroy

A fight must ensue to ensure our happiness  
A Heightened Power  
The prudes of freedom will be at our mercy  
We will restore liberty and subdue conservatives

A human being is not the property of anyone  
Conservatives must be blockaded from us  
We will not let biblical virtues become laws  
Only as virtues can they be divine

A fight could ensue to ensure our happiness  
A Heightened Power  
The prudes of freedom will be at our mercy  
We will restore liberty and subdue conservatives
