

Emperors Of Destruction

"Cursed I Am"

Depression leads to uncaring
Sins and evils come to take over
Decaying walls of a true identity crumble
Chainsaws are visible for destruction
To cause harm
The evils abound
Cursed I am

Those who are being devastated
Can't climb out of the hell hole
Damaged minds carve a loose mind
Damaged minds carve a loose mind

Weakness and a loss of a desire
Mark the end of the once prosperous
Bitterness is the taste of life
Cursed I am

Those that are being devastated
Can't climb out of the hell hole
Damaged minds carve a loose mind
Damaged minds carve a loose mind
