

Forget Me In Vegas "Get Gone Stay Gone"

Visit "[Get Gone Stay Gone](#)" on MotoLyrics.com

(Verse 1)

You can talk all you want.

Yeah, make a big scene to match those tight jeans.

Your social circle knows the whole damn story.

So when you read this in your newsfeed, you'll be
sorry for the secrets
that you didn't keep.

When it all boils down to what you think you believe

I'm pretty sure it coincides with what you heard on the
street.

Tell me how it goes one more time, one more time for
me.

(Pre Chorus)

So when you figure it out.

What this song is about.

You'll know exactly who I'm talking about.

You're what I'm talking about.

(Chorus)

Well you don't know when to quit.

You can't bring me down, I'm not having it.

Get Gone and Stay Gone.

Get Gone and Stay Gone.

(Verse 2)

I was always the one to hold your hair back, if you
remember that.

Cause no one else would fucking touch you when you
act like that.

Well you were right though and Iâ€™ve been stuck in a
rut

And Iâ€™ve got more white gold than Columbia.

When you talk like that girl you better believe

That everybody hates the girl that canâ€™t get off her
knees.

Itâ€™s the way it goes one more time, just one more time
for me.

(Pre Chorus)

So when you figure it out.

What this song is about.

Youâ€™ll know exactly who Iâ€™m talking about.

Youâ€™re what Iâ€™m talking about.

(Chorus)

Well you donâ€™t know when to quit.

You canâ€™t bring me down, Iâ€™m not having it.

Get Gone and Stay Gone.

Get Gone and Stay Gone.

(Bridge)

So go ahead and tell all your friends.

Cause now youâ€™re gonna pay for it.

And itâ€™s a shame it's gotta end like this

Youâ€™ll be the burnout that Iâ€™ll never forget.(x2)

(Chorus)

Well you donâ€™t know when to quit.

You canâ€™t bring me down, Iâ€™m not having it.

Get Gone and Stay Gone.

Get Gone and Stay Gone.

(Outro)

Well you don't know when to quit.

You can't bring me down, I'm not having it.

(So go ahead and tell all your friends.

Cause now you're gonna pay for it.)

Get Gone and Stay Gone.

Get Gone and Stay Gone.

(And it's a shame it's gotta end like this

You'll be the burnout that I'll never forget.)
