I like your weakness, so much more than your  
strengths  
Send me your secrets, so I can see what the whole  
world thinks  
I've got a guilty obsession with all your dirty  
confessions  
I keep forgetting to mention: I've got the worst of  
intentions  
Oh darling, don't get me wrong,  
I'm only leading you on  
You'll get my fullest attention without your clothes on

Chorus:

So is anyone out there? is anyone up?  
I need some hallow satisfaction, I'm not looking for  
love  
You've got nothing left to lose,  
You've got nothing left to prove  
There's only one thing left to do  
So baby hit me with that picture of you

What makes you so damn afraid of who you really are?  
Let's see some skin for the camera,  
I wanna take your digital v-card  
Don't be ashamed of your body when your clothes hit  
the floor  
I want you from every angle like I was hunter moore  
Oh darling don't get me wrong,  
I'm only leading you on  
You'll get my fullest attention without your clothes on

Chorus

I'll show you mine (I'll show you mine)  
If you show me yours first (if you show me yours first)
