I think I'm heading to crazy town.
Stuck to you is what I wanna do.
I feel like a child that wants more candy.
That means more of you, girl.

We should be frozen like ice to each other.
I just need to be right beside you.
At all costs.
Cause we would make fame, from our love.
Just you and me, just you and me.

Chorus:
Stuck on you yeah, yeah, yeah.
I'm stuck to you whoa, whoa, whoa.
Easy to do to be stuck on you.
You're someone I need to get next to.
I don't wanna live without you.
Cause your love is like the wind,
I can't see it but I can always feel it around me.
I'm stuck to you, Stuck On You.

You say let's be friends, but I don't want to.
You say let's hang out, and I want to.
Cause I just want to be next to you.
I'm getting to you, I can see it.

My mind is full of thoughts!, about you girl.
I would tell you that I need you to be with me
Or else I'll go crazy.
But all I have to say is that I'm

Chorus:

Now you're in my dreams, every night.
So I'll be thinking of you, all the time, none stop,
Twenty-four-seven.
There's no way I can get you out of this obsession
Over you.
But I call it love and do you call it love too... Baby!

Chorus:

I think I'm heading to crazy town...
