You got to me! You got to me, you got to me...

I saw you from a mile away.  
I never thought you would get so close to me.  
I also thought I would never fall in love with you.  
But I guess I was wrong for thinking like that.

Got Bitten by the love bug.  
You're smile is from above.  
I think your love is my symphony.  
I need you, I need you, I need you.  
To be with me. Yeah!

Chorus:  
You got to me! From my heart.  
That's why I keep thinking of you and my heart  
Is beating for you.  
You got to me! from the way you smile and how  
You look girl.  
I need you right now I don't care how, cause  
You baby got to me.  
You got to me, you got to me, you got to me.

I can't get away from you.  
Your everywhere I go!  
Your my mirage in everything I see.  
I guess it's destiny that wants us together.  
I see how perfect you are when I look at you.  
I need you, I need you, I need you.  
To be with me. Yeah!

Chorus:

How much I love you now and how much you  
Love me.  
So I guess we both love each other.

Chorus:

Chorus:  
You got to me! From my heart.

That's why I keep thinking of you and my heart  
Is beating for you.  
You got to me! from the way you smile and how  
You look girl.  
I need you right now I don't care how, cause  
You baby got to me.  
You got to me, you got to me, you got to me.  
You got to me! From my heart, mt heart.  
You got to me, you got to me, you got to me.  
That's why I keep thinking of you cause  
You baby got to me.
